

Disclosure Statement for “Bringing Satellite-Based Air Quality Estimates Down to Earth”

Edward Rubin received no financial support for this research project and has not received significant financial support from ‘interested’ parties. The data for the current project came from Aaron van Donkelaar and Qian Di. Edward Rubin has a working paper for which his coauthor received data from Pacific Gas & Electric, Southern California Gas Company, and San Diego Gas & Electric. Edward Rubin has no positions to declare at ‘relevant’ organizations, and none of Edward Rubin’s close relatives or partners have disclosures. No other party had the right to review the paper prior to its circulation.
