(Please include one for every author of the paper.)

Date: October 28, 2018

Author Name: Kevin Milligan

Manuscript Title: The Long-Run Impacts of a Universal Child Care Program  
Disclosure Statement:

***(1) Every submitted article should state the sources of financial support for the particular research it describes. If none, that fact should be stated.***

I had no source of financial support for this particular research.

***(2) Each author of a submitted article should identify each interested party from whom he or she has received significant financial support, summing to at least \$10,000 in the past three years, in the form of consultant fees, retainers, grants and the like. The disclosure requirement also includes in-kind support, such as providing access to data. If the support in question comes with a non-disclosure obligation, that fact should be stated, along with as much information as the obligation permits. If there are no such sources of funds, that fact should be stated explicitly. An "interested" party is any individual, group, or organization that has a financial, ideological, or political stake related to the article.***

There were no non-disclosure obligations or right of review for any of these organizations that impact this project.
