To: The Editors
The American Economic Review

Oxford, October 1st, 2019

Dear Editors,

With regards to the manuscript “Steering the Climate System: Comment”, which I co-author and would like to submit for publication in the *The American Economic Review*, I declare that I have no relevant or material financial interests that relate to the research described in this manuscript. An IRB approval was not obtained because the research does not involve any experiments. I was supported by a postdoctoral fellowship of the German Academic Exchange Service (DAAD).

Yours sincerely,

A handwritten signature in black ink, appearing to read 'J. Mitchell'.
