*Individual Disclosure Statements in PDF format must be submitted for each author. Each statement must include the paper title and the author's name at the top. Statements must (i) correspond with the funding sources acknowledged in the introductory footnote; (ii) acknowledge IRB approval (if applicable); and (iii) report any other potential conflict of interest. If there is nothing to disclose you are still required to supply a PDF statement formally making that claim.*

- (i) I have not received financial support for the research reported in this paper, though I am an unpaid advisor to M-Cam International, Inc.
- (ii) IRB approval is not applicable.
- (iii) The indexes reported in this paper are published by The Conference Board, freely available to the public. I was previously employed by The Conference Board and currently serve as Distinguished Principal Research Fellow, an unpaid position.
