**Disclosure Statement for the paper entitled "The Production
Relocation and Price Effects of US Trade Policy: The Case of
Washing Machines"**

As a coauthor of the submitted paper, I, Felix Tintelnot, declare that I have no relevant or material financial interests that relate to the research described in the paper.

I received support from the Becker Friedman Institute for Economics at the University of Chicago and the National Science Foundation while working on this paper.

A handwritten signature in dark ink, appearing to read 'F. Tintelnot', with a stylized, flowing script.
