“The Legacy of Colonial Medicine in Central Africa”

I have no relevant or material financial interests that relate to the research described in this paper.

We received financial support for the project from the Lab for Economic Applications and Policy, the History Project, and the Institute for New Economic Thinking (INET).

Best,

A handwritten signature in black ink, appearing to read "Eduardo Montero". The script is cursive and fluid, with the first name "Eduardo" and last name "Montero" clearly distinguishable.
