To whom it may concern:

I have no conflicts of interest to disclose as regards my paper with Thomas Reardon, Johan Swinnen and David Zilberman, "Agri-food Value Chain Revolutions in Low- and Middle-Income Countries" to be published in the *Journal of Economic Literature*.

No funding source supported the work beyond my regular Cornell University salary. Neither I nor any member of my family has any financial interest in the results we report.

No other party has any right to review the paper nor any intellectual property claim over it.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "Chris Barrett".
