

Disclosure Statement for Alejandro del Valle

Manuscript: Saving Lives with Pre-Financed Rules-Based Disaster Aid: Evidence from Mexico

By: Alejandro del Valle.

Atlanta, GA, September 14, 2022

-Financial support

Financial support came from Georgia State University in the form of wages as an assistant professor.

-Relevant relations

- The author declares he has no relevant financial interests related to the research described in this paper.
- The author declares not to have paid or unpaid positions as an officer, director, or board member of any profit-making or non-profit entity.
- None of the author's close relatives have any relevant paid or unpaid positions as an officer, director, or board member of any profit-making or non-profit entity whose policy positions, goals, or financial interests relate to this research.

-Prior review:

The author was free to write the paper without any external party reviewing the paper before circulation.

-In-kind support:

Administrative data from Fonden and Conagua were made available, free of charge, by the Mexican Secretariat of Finance and Public Credit. The data is not publicly available but can be requested by anyone.

-IRB approval:

No IRB approval was requested for this research because it is not human subject research: It is based on publicly available data and administrative records that are not personally identifiable.

A handwritten signature in black ink, appearing to be 'ADV' with a large, sweeping flourish extending to the right.
