

## **American Economic Journal: Macroeconomics, Disclosure Statement**

Date: January 26, 2023

Author Name: Thomas Hettig

Manuscript Title: Delayed Overshooting: The Case for Information Rigidities

During the time the paper was written Hettig was a PhD candidate at the University of Bonn, research assistant at the University of Tübingen, and later on an independent researcher. Neither of these institutions requested to review the paper before submission. Moreover, these institutions do not have policy positions, goals, or financial interests related to the article.
